

Useful Information

Medication

Please discuss medical conditions at time of booking and then bring in any prescribed medication, we will be happy to administer these including injections. We do not charge extra for this.

Vaccinations

All Dogs and Cats must be fully vaccinated. We also require the KENNEL COUGH vaccine for Dogs. The KENNEL COUGH vaccine is by INTERVET and is called NOBIVAC KC. It is an intranasal spray, which gives protection for a year and is fully effective 72hrs after being administered.

Feeding

We are able to offer many different types of food, which keeps most of the dogs and cats happy. However we cannot stock all of the vast range but we can feed personal diets if the food is supplied. Also the timing and number of feeds often varies so if you let us know on arrival we can carry out your requests.

Price List

- 1 Dog £16.00 a night plus VAT (minimum charge £25 plus VAT)
- 2 Dogs £28 plus VAT
- 1 Cat £8 a night plus VAT
- 2 Cats £14 plus VAT

Inspections

We highly recommend that you pay a visit to view our wonderful facilities. Visits are welcome at any time during our opening hours but please call to arrange an appointment.
